the Little Penguin™, the smallest of penguins, can be found along many parts of South Eastern Australia's coast. South Eastern Australia is also home to some of the finest vineyards in Australia and is the home of the Little Penguin wines.

the Little Penguin Shiraz is spicy with bold flavours. Pair it with cioppino or red meat dishes.

Little Penguins are very sociable and often gather to forage for delicacies. We invite you to do the same with the great wines from **the Little Penguin**.
